Dear Supporters:

On behalf of the Macomb Food Program and its Board of Directors, I would like to extend a sincere "thank you" for your generous donation of two golf carts to use at our Fifth Annual LET'S EAT food drive and fundraiser sponsored by Randazzo Mechanical Heating and Cooling.

This event will be held at Freedom Hill County Park on Saturday, September 9, 2006. At last year's event, a total of 13,700 pounds of non-perishable food items was collected and over \$58,000 was donated. This year's donated funds will be used to purchase additional protein food products that will supplement a food box of donated groceries. Thank you for being a part of this amazing event!

The Macomb Food Program serves people in need of food throughout the County of Macomb through its network of 52 pantry distribution sites. During our last fiscal year the Macomb Food Program received requests for emergency food from nearly 23,000 families consisting of 63,944 individuals.

Your generosity allows the Macomb Food Program to continue to make feeding the hungry in Macomb County a reality. Thank you again for your generous donation and your concern for the hungry in Macomb County.

Gratefully,

Michael F. Sheridan, Chairperson

The Macomb Food Program provided no goods or services to you in lieu of this donation valued at \$550.00.
